DECLARATION OF BIODEGRADABILITY UNDER THE STANDARD EN 13432-2000

Biodegradable in accordance with the requirements of standard EN 13432-2000 (section A.2.2.2).

The items analyzed were sampled, transported and delivered by the client company **TorrasPapel, S.A., Condat SAS and Cartiere del Garda SpA (LECTA GROUP)**.

The analysed objects were named:

- 2 sides coated paper from TORRASPAPEL (two samples: "A" and "B")
- 2 sides coated paper from GARDA (two samples: "C" and "D")
- 2 sides coated paper from CONDAT (sample "F").

This declaration refers to Test Reports N. 412 and 413 issued on 03/05/2012 and Test Reports N. 576, 577 and 578 issued on 07/05/2012.

The objects were analyzed according to standard methods recommended by EN 13432-2000.

The analysed objects are in compliance to EN 13432-2000 provided that they are produced according to the criteria of manufacture envisaged by the legislation.

The compliance to the standard can be extended to other samples with the same chemical composition.

THE DIRECTOR

(Prof. Bruno Marcandalli)
